**Comprehensive
ophthalmologist required
Winnipeg, Manitoba**

Excellent opportunity for ophthalmologist with comprehensive skills and interest in uveitis to take over an established practice within one of the largest multi-specialty clinics in the country. Well equipped with lasers, OCT, HRT, visual fields and minor treatment room on site. A collegial team of experienced comprehensive and subspecialist ophthalmologists already practicing at the clinic, complete administrative and technical support along with electronic medical records, create an optimal turnkey work environment.

Interested parties may contact CEO Mr. Tom Malone by phone at 204-957-3396 or email tmalone@winnipegclinic.com.

**2011 Bressler Prize
In Vision Science**

CALL FOR NOMINATIONS

Open to established professionals in the field of vision science whose contributions have advanced vision care, the treatment of eye disease, or the rehabilitation of persons with visual disabilities or blindness, and whose further work is expected to contribute significantly.

Nominations must be made online. Please go to www.jgb.org/bressler.asp. Closing date for nominations and receipt of all supporting documents is December 31st, 2010.

The prize of \$40,000 will be awarded at the Alfred W. Bressler Vision Science Symposium to be held in New York City in Autumn 2011.

For additional information call 212-769-7801 or e-mail bressler@jgb.org.
